# Come party with us!

Parties run approximately an hour and a half, but extra time is available. During the first hour we'll enjoy some party-themed entertainment provided by some of your favorite teachers! After that you get to go to the Party Room for cake and ice cream!

## Choose from one of three options...

### *Birthday Princess*

You'll be the belle of the ball when you participate in a Princess themed Ballet Class. Then you and your guests will enjoy a special Princess Story and a fun Princess Game! After that you get to wear the official Princess Crown and Princess Sash and blow out your candles! All Birthday Princesses get to take home a keepsake Sash!

### **Hannah Montana Rock Party!**

Invite your friends to this Hip Hop Party featuring the music of your favorite artist, Hannah Montana! As the birthday girl, you'll get to assist the teacher in instructing class and show off your awesome Hip Hop moves! Plus you get to help the teacher create the party playlist on a CD you get to take home!

### **CREATE YOUR OWN...**

Have a great idea for a party that we haven't included here? Design your own dance party and host it here at the studio! Have a PJ Party, a Teddy Bear Tea Party or even a 50's Sock Hop! Whatever it is, we'll be happy to host it for you!
