Fairytale Tea Party

You and your little star are cordially invited for tea! Sit down with fairytale princesses and little to talk from far far away. Then you and your guests will get a chance to dance and play games with your "lily" friends! All the very best tea treats will be provided to decorate.

Prima Ballerina Party

What little girl doesn't dream of being a beautiful, graceful ballerina!

The spotlight will shine on your favorite "I wish I was" ballet class! Tutus and ballet slippers will be provided. We will rehearse, make and create a dance that is sure to delight. They'll practice and spin in their tutus and bows, and then dance on their happy toes! It's sure to be "10-10" much fun!

Featured Party!

ONCE UPON A PRINCESS

You're invited to a regal gala for the birthday princess! You will be the belle of the ball and your guests will enjoy a special princess story and princess games. Party guests will waltz the party away with real princesses, face painting, and will decorate their own princess crown!

Darling Divas Party

Your little Diva and her friends will absolutely flip over our non-violent party! They'll be treated to a glamorous make-up and nails session to get them ready for their big moment in the spotlight. They will get a chance to do their thing as the runway...they'll walk it, get it a fund and smile for the cameras! Then, we'll crank up the music, get the cameras rolling, and let them dance the day away.

Pajama-Rama Party

You're sure to have a rockin' time at our pajama-rama party!

Arrive in your comfy PJs and join in for slumber party games and dancing. Decorate your very own princess to take home. You're sure to have pleasant dreams sleeping on it!
